Dear Knights of Columbus,

Let me introduce the child Asha Ajesh.
Because she cannot know how to read and write.

How are you? I hope that you are keeping fine
with God's Grace.

I am very happy to inform you that the
child you have sponsored is keeping fine. The ~~child's~~
child's name is Asha Ajesh, called by Ashily. She
belongs to Minalka family. Now she is six years old
and studying in 1st standard. Her father Ajesh is
not healthy and her mother Siji goes to coolie work.
She has no brothers and sisters. She is the only child.
I feel she is having a good sense of humour. She is
very happy to come for Holy Mass every day and attend
the Rosary. By this time she is by heart the prayers.
She is having sing and dance. I have a very good
impression about her.

Let me cut short my ~~to~~ letter in thanking
you for your generous heart and we assure our
prayers. May the Good Lord bless you for all your
endeavours.

Thanking you.
